Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Application 10/014,202 was received from the Technology Center at the Board of Patent Appeals and Interferences (Board) on April 09, 2008 and has been assigned Appeal No: 2008-3000.

A review of the file indicates that a new Examiner's Answer has been forwarded to the Board in the above-noted Appeal. At the time that a Docketing Notice is mailed by the Board, jurisdiction over the application has passed to the Board. 37 C.F.R. 41.35. Consequently, the Examiner and/or TC does not have jurisdiction to enter a new ground of rejection or submit a Supplemental Examiner's Answer. Accordingly, any Answers entered by the Examiner subsequent to the transfer of jurisdiction to the Board are not properly before the Board and will not be considered. Appellant need not reply to any such Answers and any Reply will not be considered by the Board in rendering a decision in this Appeal.
